Certificates

- IELTS ACADEMIC** (2024)
- Code For Future** - Frontend Developer (2023)
- Code Academy**- Software Engineer (2023)

Banovsha Abdiyeva

Front-end Developer

I am a passionate and detail-oriented Front-End Developer focused on building responsive, user-friendly websites that combine strong visual design with functionality. I thrive on creating clean, efficient code and translating ideas into intuitive digital experiences. With a strong eye for design and a commitment to performance, I aim to contribute meaningful, high-quality solutions to the web development community.

Work Experience

January 2026 - Present

Next Supplies

Front-end Developer

- Maintained scalable, high-performance web applications using Next.js and TypeScript.
- Build reusable UI systems from Figma using modern design libraries such as Untitled UI.
- Optimize data fetching (SSR, ISR, client-side) and integrate RESTful APIs efficiently.
- Manage tasks and workflows using Jira and Slack.

July 2023 - January 2026

BIRainy

Front-end Developer

- Developed scalable web applications using Next.js and TypeScript.
- Transformed Figma designs into reusable components with modern HTML, CSS, and JavaScript frameworks.
- Integrated RESTful APIs and optimized data fetching with SSR.
- Collaborated with back-end developers, designers, and product managers.

June 2023 - April 2024

Code Academy

Student Mentor

- Provided academic and professional mentorship to students, supporting their growth in both technical and soft skills.
- Guided mentees through front-end development concepts, including HTML, CSS, JavaScript, and modern frameworks like React.js.

September 2021 - December 2021

ABB

Intern

- Assisted customers by promoting and guiding them through the usage of the ABB Mobile App.
- Provided digital support and education to help customers adopt mobile banking solutions more effectively.

Volunteering

25 April 2023 - 30 April 2023 / Baku Grand Prix

Volunteer of Events and Communication Team

9 June 2022 - 12 June 2022 / Baku Grand Prix

Volunteer of Crowd Management

February 2022 - April 2022 / DOST Agency

Volunteer
